

JESUS THE STORYTELLER

President's Letter April 2026

Dear Sisters,

I hope you all had a good Easter. Jesus committing such an unselfish act in dying for us on the cross needs to be celebrated. Also, can you imagine sending your son to spread the 'word' and knowing that he would be killed. The death of a child. Whatever age is not something any parent wants. It is not considered the natural way of life. We need to live up to this privilege.

Our MWA Day is quickly approaching, and I do hope to see lots of sisters in Birmingham on 18th April. Sr Mary Holmes has been working hard on our memories book, and we are hopeful it will be on sale on that day. However, if you are not there, if you let me know how many copies you require, I will see that they are sent to you when available. The price should be £4.50.

Also, Sr Mary has been working hard to revamp our facebook site. If you remember during COVID Sr Naomi did a daily picture as she took a walk every morning, but it seemed to have 'got lost' in all the other things, as busy people, we are doing. Sr Mary would love you to post items and comments and make it truly your facebook account.

A big thank you goes to Sr Mary Holmes. I may have had the idea of the booklet, but she is the one who has made it happen. The same with the facebook. This was all her doing and I know Sr Naomi will be pleased, as she put the initial effort in starting the page. Please support both initiatives.

Our Central Committee meeting is on 11th April, so next month I will be telling you the results and decisions we made. However, those who go to the MWA day will hear this news 'hot of the press' so to speak. I am looking forward to hearing your suggestions for themes and charities to support.

Do keep the Central Committee in your prayers as they go through their business. There are also new committee members required as Sr Audrey and Sr Lesley have completed their maximum terms. I do hope we have lots of nominations.

Can I ask you again to remember all our sisters who cannot attend monthly meetings for whatever reason. If you think these sisters would benefit from the Quarterly papers being sent to them, please let one of the committee have either their address or e-mail address.

Keep praying for one another.

***The Lord watch between me and thee when we are absent one from another.
Amen***

Sr Gillian Taylor
